

We didn't know how we could ever thank **The Patrón Spirits Company** or **The Northwest Broward Road-runners**.... So please meet two of our newest babies, Patrón and Road-runner.

Dear Runners, Walkers, and Sponsors:

We realize how easy it would have been this morning to turn off your alarm, roll over, and go back to sleep....but you didn't. That shows amazing will-power, strength, and dedication.

All of the volunteers at Feline Friends and all of our kitties are so grateful to you.

Thank You!
